

Section 3 – School Administration Policies

5.016 – Internet Communication Policy

Students and parents at OSCA school or auxiliary events will not:

1. use the Academy logo or name.
2. add links from blogs or group pages to our web site.
3. photograph children, without parental permission, other than one's own and post to Facebook or any other social network.
4. create group pages that include the Academy.
5. engage in harassment or intimidation using the internet.
6. post comments that are derogatory with regard to the Academy, students, or Academy and Church staff.
7. use explicit, suggestive, humiliating or demeaning comments.
8. post anything including photographs that would compromise anyone's privacy or that are used to demean, humiliate or otherwise embarrass anyone.
9. use or receive explicit or suggestive updates, comments, or engage in anything contrary to Christ-like behavior through the Academy internet service, on school property, or at a school function.

Students and Parents

1. Students and parents should recognize that the Academy takes no responsibility for securing permission for ensuing contact between those seeking "friends" status via social networking.
2. If students and parents choose not to abide by this policy as noted above, disciplinary actions may be taken.
